

# Noble County Health Department (NCHD) Sewage Treatment Systems Program: New for 2026!

Starting Jan. 1, 2026, Noble County Health Department (NCHD) is teaming up with the Ohio Department of Health (ODH) to improve sewage treatment systems in our community

ODH will be supporting NCHD in administrative and field portions of the program.

What does this mean to you? As a homeowner, you are responsible for the overall operation, maintenance, and upkeep of your sewage treatment system. This maintenance is important for our entire community, as it helps prevent diseases. For any inspection needs or to report sewage treatment system issues, contact **NCHD at 740-732-4958** or **ODH at 614-619-6798** / [NobleSTS@odh.ohio.gov](mailto:NobleSTS@odh.ohio.gov).
