

## SITUATION REPORT: COVID - 19

Date / Time Issued: 4/8/2020 17:00

\*\*\*\*\* New Information is listed in RED throughout\*\*\*\*\*

Prepared By: M Muffet Approved By: C Schmelzenbach

### Executive Summary:

Noble County Health Department (NCHD), the Ohio Department of Health (ODH), Centers for Disease Control and Prevention (CDC) and World Health Organization (WHO) are closely monitoring an outbreak of respiratory illness caused by a novel (new) coronavirus (termed "COVID-19") first identified in Wuhan City, Hubei Province, China in December 2019 and which continues to expand. The COVID – 19 virus was first confirmed in Ohio on March 3, 2020, with 3 initial cases. As of the date and time of this report Statistics in Noble County follow:

NOBLE COUNTY:	CASES-0	HOSPITALIZATIONS-0	DEATHS-0
STATE OF OHIO:	CASES-5148	HOSPITALIZATIONS-1495	DEATHS-193

### DECLARATIONS IN EFFECT

- March 16, 2020 Noble County Declaration of Emergency
- March 9, 2020 Ohio Declaration of Emergency
- March 31, 2020 President Trump approved a Major Disaster Declaration for the State of Ohio

### EOC OPERATIONS:

Partial / Virtual EOC Activation via Knowledge Center 8:00-1700 with ESFs 5,6,8,12 &15, and report interfacing to State of Ohio WebEOC .

### CURRENT ACTIONS:

March 6, 2020 the Noble County Health Department hosted a joint tabletop exercise and local support agency with Noble Correctional Institute, Noble EMA&HS and stakeholders from County to discuss pandemic.

March 9, 2020, Governor DeWine declared a state of emergency. As COVID -19 continued to spread in Ohio, Noble County prepared our government structure to execute our Continuity of Operations Plans (COOP) and ensure Continuity of Government (COG).

March 16, 2020, Noble County Health Commissioner Ray issued a Public Health Emergency and gave Local Orders in addition to the Governor's Orders issued to date including closure of daycare and preschools, all little league and private club sports were to be postponed or canceled, cessation of all public meetings not required by law, public library to close and encouraged pick up curbside and delivery of all businesses not already closed by the Governor's Orders.

March 16, 2020, EMA Director Schmelzenbach, met with Board of Commissioners and requested a Declaration of Emergency to expedite purchasing and conversion of public offices to encourage employees to telework or split shifts and modify hours and workspaces. Prosecuting Attorney Riddle, and Auditor Davis, worked to advise offices and provide guidance on employees' leave to be taken if necessary, how to continue processes and identify essential functions of government.

March 19, 2020, the Noble County Board of Commissioners passed a resolution to instruct county offices on precautions and establish general procedures to encourage sanitation, social distancing, limiting access except by appointment to

## SITUATION REPORT: COVID - 19

comply with gathering limitations in these Orders, as well as limit movement of packages, mail and delivery throughout the public buildings. Two exceptions are to attend court and to attend legally required public meetings.

April 2, 2020, Governor DeWine announces the Stay-at-Home Order will extend until May 1.

April 5, 2020, Ohioans are encouraged to wear masks in public, Governor signs an executive order that allows Ohioans to more easily access telehealth services from counselors, social workers and other mental health providers. Broadband Ohio is working to find public Wi-Fi hotspots for Ohioans who may not have internet access at home.

April 7, 2020, Updates to Ohio COVID-19 regulations include Liquor Sales, Office of Small Business Relief, Ohio Prisons and SNAP Payments. Establishments with existing on-premises liquor permits may sell and deliver alcohol, including high-proof liquor in limited quantities. A new office was developed within Ohio Development Services agency to provide support for small businesses. Ohio Department of Rehabilitation and Correction Director Annette Chambers-Smith recommended 141 inmates to be considered for early release in efforts to increasing social distancing between staff and prisoners. Ohio JFS will issue additional payments this week to households who did not receive maximum monthly allotment for their household size.

### Potential Hazards

- Pandemics can cause economic damage through multiple channels, including short-term fiscal shocks and longer-term negative shocks to economic growth.
- Individual behavioral changes, such as fear-induced aversion to workplaces and other public gathering places, are a primary cause of negative shocks to economic growth during pandemics.
- Some pandemic mitigation measures can cause significant social and economic disruption.
- Several instances of cyber-criminals and scammers sending fake COVID-19 themed communications offering hard to find medical supplies or cures to the virus have been documented.

SITUATION REPORT: COVID - 19

Health & Medical Status:	<input type="checkbox"/>	No Current Disruption	<input checked="" type="checkbox"/>	Limited Disruption	<input type="checkbox"/>	Significant Disruption	<input type="checkbox"/>	Unknown Disruption
--------------------------	--------------------------	-----------------------	-------------------------------------	--------------------	--------------------------	------------------------	--------------------------	--------------------

## SITUATION REPORT: COVID - 19

- **Medical Care:** Coordination with SEORMC, RMRS, COTS and other partners for surge planning
- **Patient Movement:** No current disruption.

### ESF 8 – Public Health and Medical Services

- Creation of local “COVID CALL CENTER” which takes local calls coming in to LHD at 740-732-4958 by nursing staff who answer medical questions, research answers, get Medical Director’s Opinions and perform follow ups.
- Regional Epidemiologist provides overview of activity in Region 8 and advises for anticipated activities based upon current modeling and information/experience within the state and region.
- Completes monitoring and tracing of positive cases and those associated/exposed.
- Follows up on information or complaints from local persons regarding cases or actions inconsistent with the State or Local Public Health and Governor’s Orders
- Averaging 10-15 calls per day currently
- Identified potential locations for PODs for commodities and for Alternate Care Facilities- currently seven facilities identified and in process of being vetted for viability
- Instituted COVID 19 Screening questions into dispatch protocol at the request of EMS. If indicated the dispatcher advises responders the call is to “potential COVID patient”.
- **Fatality Management:** No current disruption.
- **Health Care Supply Chain:**

### ESF 7 - Resource Support and Logistics Management

- **Continued process to source, acquire and distribute PPE including masks and faceshields.**
- NLSD STEM lab teachers are making PPE face shields for healthcare workers and first responders. Distribution is being coordinated with local EMA for Noble County and the surrounding region as requested.
- Discussed PPE needs for Home Health workers with the Dept of Aging. They are resourcing PPE from a vendor that only sells in bulk Global Response Recovery (GRR). They have asked for guidance from Ohio Dept of Aging on PPE requirements for in home care workers and received nothing for several days.
- Public request to solicit PPE was made March 19, 2020 and echoed at State level.
- Inventory baseline was established as of March 24, 2020
- Ohio manufacturing companies are repurpose and produce PPE if possible. The list of items need can be found at [www.repurposeproject.com](http://www.repurposeproject.com) .
- Burn Rate Spreadsheet to demonstrate daily/weekly burn rates for each entity in coming days including: LTC, EMS, LHD, FQHC, FDs, LEs and Home Health Agencies.
- Inventory tracking and procedure established to include source, receipt/accepting, tracking, allocating and delivering of PPE as needed. As established in SOP the Health Commissioners and EMA&HS Director will approve allocations.
- Hospitals, care facilities and other healthcare providers have begun rationing PPE due to limited regional supply and global high demand for these products.

SITUATION REPORT: COVID - 19

Energy Status:	<input checked="" type="checkbox"/> No Current Disruption	<input type="checkbox"/> Limited Disruption	<input type="checkbox"/> Significant Disruption	<input type="checkbox"/> Unknown Disruption
	<p>ESF 12 – Energy</p> <ul style="list-style-type: none"> <li>Monitoring of energy industry to include utility companies and large Shale Development Industry for workforce issues or other interruptions</li> <li>Logging contact and coordinating with those companies who activate ICS or have questions regarding Essential Employees or Operations</li> <li><b>Power (Grid):</b> No current disruption. The Public Utilities Commission of Ohio (PUCO) has ordered all regulated electric and natural gas providers (as well as other utilities) to review policies regarding service disconnection for the duration of the declared state of emergency.</li> <li><b>Temporary Power:</b> No current disruption.</li> <li>AEP has stood up ICS and is in contact with local EMA daily to source needs and ensure expedited restoration to critical facilities is handled properly.</li> <li><b>Fuel:</b> No current disruption.</li> </ul>			

SITUATION REPORT: COVID - 19

Communications Status:	<input checked="" type="checkbox"/>	<b>No Current Disruption</b>	<input checked="" type="checkbox"/>	<b>Limited Disruption</b>	<input type="checkbox"/>	<b>Significant Disruption</b>	<input checked="" type="checkbox"/>	<b>Unknown Disruption</b>
------------------------	-------------------------------------	------------------------------	-------------------------------------	---------------------------	--------------------------	-------------------------------	-------------------------------------	---------------------------

ESF 15 – Emergency Public Information and External Affairs

- **Infrastructure:** No current disruption.
- **Alerts, Warnings, and Messaging:**
- Ohioans are to continue protective measures to prevent rapid increase in cases and deaths caused COVID-19.
- Create a minimum of two social media posts per day to encourage traffic. Diversify between educational material and real life- videos, photos, etc.
- Issued a Facebook Challenge: Played a 30 sec clip of EMA Dir. Grandson’s 5<sup>th</sup> Birthday via a Zoom meeting platform and challenged others to post their examples of following the Governor’s Orders
- LHD posts to Facebook at least daily with updated information and has begun including photos etc. of staff following Governor’s Orders.
- LHD established a Twitter handle
- County website was updated to reflect current COOP modifications to access county offices and services.
- PIOs work to issue press releases and forward OEMA or Governor’s Press releases to local media daily.
- Media engagement includes newspaper, radio, website and social media
- Interviews by County Commissioners, Health Commissioner and EMA&HS Director provided to print media and radio stations.
- **911 and Dispatch:** No current disruption.
- **Responder Communications:**
- The ICP is established virtually on Microsoft Teams and SharePoint via the Noble County Health Dept. Briefing occurs at 830 daily.
- EMA&HS established Virtual EOC by using Knowledge Center both county level incident and joined Region 8 COVID incident
- EMA&HS establish communications via email groups, zoom meetings and Google Docs
- **Financial Services:** No current disruption.

ESF 14 – Recovery and Mitigation

Over 30,000 jobs are listed at [www.coronavirus.ohio.gov/jobs](http://www.coronavirus.ohio.gov/jobs).

- Online survey asking for input from Noble County Business Leaders to identify opportunities for financial relief, support and recovery from the COVID-19 stay-at-home order.

[https://.osu.az1.qualtrics.com/jfe/form/SV\\_00x7CS3aZzPaAHH](https://.osu.az1.qualtrics.com/jfe/form/SV_00x7CS3aZzPaAHH)

- Retail businesses are required to establish a maximum number of people inside
- Garden centers are open
- Provide PA program guidance and cost documentation forms to potential applicants.
- Engage the Chamber of Commerce to provide information to local businesses on SBA programs, stimulus and unemployment funding.
- Request the Chamber of Commerce to develop an Advisory Council of its members from various business sectors to consider economic recovery strategies viable for Noble County and SE Ohio regional businesses.

SITUATION REPORT: COVID - 19
